EXPERIENCE

Digital Media Equipment Room Assistant

February 2022 – June 2025

Drexel University | Philadelphia, PA

- Managed rental process with customers and tracked rental data which led to a more organized work environment
- Maintained product knowledge and advised customers on alternatives and actions to take when equipment was not available at the time, providing helpful problem solving
- Collaborated with other team members and instructed trainees how to complete rental processes which led to a more efficient workflow and knowledge expansion

Animation Co-Op

April 2024 - September 2024

Mindflow City Test Prep | Remote

- Communicated effectively to achieve a satisfactory end product by taking into account critiques and ideas
- Created two dimensional animations based on company mission and learning objectives for students to help visualize and provide clarification
- Assembled ideas and adapted to new programs, leading to an organized work environment and accurate deliverables

PROJECTS

Modeling Lead and Texture Artist | Falling Into Frame

September 2024 - June 2025

Drexel University | Philadelphia, PA

- In charge of modeling assets and layout for antique shop environment, texturing, and animating
- Worked with a team of other artists to ensure the vision of our animated trailer came to life
